

Oregon City Schools Foundation

ANNUAL FUND DRIVE

Each family in the school district received a letter in October explaining the need for new technology. As a foundation we feel that our children need exposure to the latest technology in order to compete in the world. Through our Annual Fund Drive we are doing our part to improve the district's ability to deliver the newest hardware and software.....

have you done your part? Keep those checks coming!!!!

Games, Games, GAMES!

The Foundation was pleased to provide all of our Elementary Schools with 26 games each to help keep students busy during Rainy Day Recess. The students are enjoying everything from Candy Land to Scrabble. Do you have games you could give?

D2E

Have you checked the website (www.Donate2Educate.org)? What does your school need? The Foundation is granting new requests, will your student's classroom wish be granted?

Auction

We are still seeking donations (services, gift baskets, trips, golf, books, etc) for the oral & silent auction on April 28th. All donors receive recognition in the presentation and in the program.

If you would like to help with the auction the next steering meeting is January 24th in the presentation room at the High School. Meeting starts 4:30. To learn more about the Foundation call Julie Peters 503.632.3474

Giving Fact: Did you know that if you work for PGE or Pacific Corp your company will match 50% of your donation to any charitable group? Contact your Human Resources Dept for more information or to see if your company has a matching program!
