Our Annual Fund drive is going strong! This year's contributions are supporting upgrades and purchasing of Technology. The foundation has won a \$20,000.00 matching grant from the Shared Projects Funds to add to your contributions to increase our purchasing power. The funds will be distributed equitably to each building to use for technology like laptops, smart boards, cabling, document cameras, software, etc....

We want to be able to help even more. The school receiving the most contributions to the Drive by parents before March 15th (including those already contributed this year) will receive an additional item. We've made it easier to contribute as well, you can now go to www.donate2educate.org to the school of your choice and look for "The Annual Fund Drive" project and contribute. The winning school will receive a laptop, Infocus projector, Document Camera or a similar item valued up to \$1000.00!!!!

Annual Auction

SAVE THE DATE!!!! April 28th is the date of this year's annual auction.

We are accepting contributions for both the silent and oral auction. Have you earned a free airline ticket? Do you have a cabin or get away beach house? These are some of the items we are looking for. We also need items for gift baskets, movies, services, planters, etc.

You can help with the auction through your contribution or by attending the next steering meeting on February 21st in the presentation room at the High School. The meeting starts 4:30.

If you are planning on attending you can receive advance tickets by completing the form below and sending it to us
