## VOLUNTEERS NEEDED!

The foundation needs volunteers to help with the annual auction, everything from planting flowers to registering attendees. If you have time and would like to help please contact the auction volunteer coordinator, Ingrid Shorey at [ilshorey@msn.com](mailto:ilshorey@msn.com).

## FUNDRAISING

As parents we know that you are asked to contribute to a number of wonderful and worthy causes throughout the year.

The foundation seems to be another group that wants something from you. We do two fundraisers each year, the reason for two is that we are an organization that operates year around to be able to enhance what our schools can provide your students. Whether we provide books or help fund the "Lunch Buddies" program or give PE equipment or add SMART boards we work as hard as we can to fill as many needs as possible. Did you know that last winter we provided each elementary school with 26 games for rainy day recess?

We have successfully built the foundation into an organization with little overhead, no paid staff and huge commitments from volunteers to ensure we are able to help as many kids as possible.

We can't do this with out your support! If you believe in education as strongly as we do we hope that you can understand the need to participate in each of our fundraisers. Every bit helps, from \$10 donations to the fund drive to a gift basket or volunteer hours for the auction....we need your help! You can help by:

1. Logging on to <http://www.donate2educate.org> and looking for the Fund Drive link. This site accepts credit cards.
2. Mailing you donation to:  
OCSF  
PO Box 85

3. Volunteering by emailing [juliekpeters@gmail.com](mailto:juliekpeters@gmail.com) or [ilshorey@msn.com](mailto:ilshorey@msn.com)
