FOR IMMEDIATE RELEASE

### OREGON CITY SCHOOLS FOUNDATION 9<sup>th</sup> ANNUAL AUCTION & SOCIAL

Oregon City, Oregon--April 7, 2008--The Oregon City Schools Foundation (OCSF) is proud to announce its 9<sup>th</sup> annual Auction & Social on Saturday, May 10, 2008. The annual fundraiser will be held at the Willamette Falls Community Health Education Center and the Abernethy Center, both located at the corner of 15<sup>th</sup> and Washington in downtown Oregon City. The event raised over \$65,000 last year to fund matching grants, scholarships and donations.

Local news personality Margie Lynch will be this years' Mistress of Ceremony, joining her will be Clackamas County Sheriff Craig Roberts who will be helping to raise funds for school libraries. We are pleased to have the voices of the Trailblazers Mike Rice and Mike Barrett acting as our auctioneers again this year.

The OCSF is committed to providing enhanced educational opportunities to the students of Oregon City. The focus of technology drove the purchase of over 50 Smart Boards for Oregon City classrooms this school year. The matching grants for technology were in addition to donations for requests to fund items like books, gym equipment, tools and many more requests as well as scholarships.

For more information about the Auction please contact Julie Peters, OCSF President at 503-632-3474 or visit [www.ocsf.org](http://www.ocsf.org).

About OCSF:

The Oregon City Schools Foundation is a 501c (3) non-profit organization who's mission is in part to encourage philanthropic gifts for student scholarships, program enhancements, capital projects, and activities in support of Oregon City Schools and the school community.
