## SAVE THE DATE!

### 10th Annual Auction & Social

Mark your calendars for the 10th Annual Auction & Social on April 4, 2009.

In light of the ongoing economic downturn and in deference to cuts being made to the school district budget we have scaled back our auction this year. The event will be at the Willamette Falls Community Health Education Center and ticket prices will be \$20.00. Those who believe in our mission and want to support our schools will be able to attend for less.

This change will enable the foundation to cut its costs for the event and give more to the school district for enhancement projects.

## January D2E AWARDS

The foundation has awarded \$4,079.17 in January to the D2E program for school requests. This program is a wonderful way to support your school and teachers directly by giving to the programs they feel most important. You can donate or view all of the projects at [www.donate2educate.org](http://www.donate2educate.org).
